DEER MUST BE HARVESTED IN MONTGOMERY COUNTY, MD
THESE LOCATIONS DO NOT PROCESS DEER

All deer will be inspected in preparation for transport to a game processing facility. Donation program staff reserves the right to turn away any deer found unsuitable for donation.

You must call the corresponding phone number prior to donation drop-off. Please leave a message with your name, date, and phone number if no one answers your call.

Deer Must:

- Be checked via the DNR Internet or telephone check-in system
- Be correctly tagged as per DNR requirements for in-season hunting and crop damage permits
 - Be completely field-dressed
- Be hosed out if the contents of the digestive tract have been introduced into the body cavity (ex. If the stomach or intestines have ruptured)
 - Be in overall good condition
- Be properly logged onto the Deer Donation Log sheet for the coldbox

Deer will be transported to processors and distributed to the hungry via local food banks
